

## **FAMILY EMERGENCY LEAVES**

The board recognizes that the demands of the workplace and of families need to be balanced to promote family stability and economic security for school district employees. Conditions for the authorized use of accumulated leave for family leaves are to be fairly construed in a manner consistent with this policy, and other relevant district policies.

In the event the staff member's leave has been exhausted, the leave may be granted without pay. Unless otherwise provided by an applicable collective bargaining agreement, the following shall apply:

### Family Illness

District staff members may use accrued sick leave or other accrued leave, at the employee's choice, to care for a child of the employee with a health condition that requires treatment or supervision. Staff members may use accrued sick leave or other accrued leave, at the employee's choice, to care for a spouse, parent, parent-in-law or grandparent of the employee who has a serious health condition or an emergency condition. The district may require a signed statement from a licensed medical practitioner to verify the need for treatment, care or supervision for any absence which exceeds five (5) consecutive days.

### Death in the Family

The district shall allow each full-time staff member a maximum of five (5) days leave (adjusted for some collective bargaining groups) upon the death of an employee's spouse, mother, father, son, daughter, sister, brother, mother-in-law, or father-in-law. Leave also shall be allowed upon the death of a son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandmother, grandfather, granddaughter or grandson. The deaths of more than one family member resulting from a common occurrence shall be treated as a single death with respect to the length of leave granted.

### Birth or Adoption of a Child

The district shall grant leave upon the same terms to male employees as is available to female employees upon the birth or adoption of the employee's child. Leave shall be granted upon the same terms to employees who become adoptive parents or stepparents, at the time of birth or initial placement for adoption of a child under the age of six, as is available to employees who become biological parents. Such leave is available only when the child lives in the employee's household at the time of birth or initial placement.

Employee requests for leave of absence due to birth or initial placement for adoption of a child shall be submitted in writing to the superintendent not less than 30 days prior to the beginning date of the leave. The notice shall include the approximate beginning and ending dates for the leave requested.

An extended unpaid leave of absence for a period up to the beginning of the next school term or school year may be approved at the discretion of the superintendent based upon consideration of educational program needs and the desires of the staff member, together with any recommendation of professionals such as medical practitioners or counselors regarding the leave request.

Nothing in this section shall preclude the use of accumulated sick leave to care for a child with a health condition that requires treatment or supervision, as provided in the *Family Illness* section of this policy.
