## Supplemental Academic Student Support

- **Title I, Part A** is a federal program that serves the unique needs of children, kindergarten to grade 12, who struggle to learn. Title I programs and services provide customized instruction and curricula that helps these students meet academic standards and take an active, engaged interest in what they learn and can do. As the oldest and largest federal education program, Title I programs build equity of opportunity for children whose struggles often keep them on the academic sidelines.
- **Learning Assistance Program**, otherwise known as LAP, offers supplemental services for K–12 students scoring below grade-level standard in English language arts (ELA) and mathematics. These services focus on accelerating student growth to make progress towards grade level. They may include academic readiness skill development or behavior supports. These services address barriers preventing students from accessing core instruction. The intent is for LAP students to increase academic growth during the period of time they are provided services. LAP emphasizes research-based best practices designed to increase student achievement.

## Migrant and Transitional Bilingual Supports

- **Title IC-Migrant Education-** The goal of this federal program is to ensure all migrant students reach academic standards and graduate, to prepare them for responsible citizenship, further learning, and productive employment. Washington State ranks third in the nation for the number of its migrant students, whose families make an enormous and valuable contribution to our agriculture, fishing, forestry, and dairy industries.
- **Transitional Bilingual-** The mission of the State TBIP grant is to assist English learners (EL) to meet state standards and develop language proficiency in an environment where language and cultural assets are recognized as valuable resources for learning.
- **Title III-** Provides federal funds to local education agencies to ensure equal education opportunities for students whose primary language is other than English.

## Additional Grants

- **Title II, Part A -Teacher/Principal Professional Development** is federally funded and provided to increase the academic achievement of all students by helping schools and districts improve teacher and principal quality. This includes teacher preparation and qualifications of new teachers, recruitment and hiring, induction, professional development, and retention. In addition, Title IIA funds may be used to improve the skills and knowledge of principles for effective school leadership.
- **McKinney Vento Homeless-** The program provides training, technical assistance, and monitoring, as well as federal funding to support school district programs that serve homeless students. Washington receives approximately \$950,000 in funding each year from the U.S. Department of Education in support of this program. This federal funding is the only money specifically designated for serving the educational needs of Washington's 40,365 homeless students.\*
